A Farmer's Cultivation Experience

(Clearwisdom.net) The Chinese Communist Party (CCP) has brainwashed me since childhood. I was said to have been "born in the new society" and there was "no new China without the Communist Party." I gradually became an atheist who never doubted the CCP propaganda.

My wife is a steadfast Falun Gong practitioner. I strongly opposed my wife practicing Falun Gong. I swore at and beat her. I even burned her truth-clarification materials. Later I was diagnosed with a malignant cancer. My wife and other kind-hearted practitioners helped me to read *Zhuan Falun* (the main text of Falun Dafa), and I realized that Dafa was very profound. Dafa can elevate our morality and guide us to return to our true selves.

Soon, I did not need any more medicine. Falun Dafa has given me a second life. I told the facts about the persecution against Falun Gong to other farmers who are marginalized by the CCP. Several of these farmers have started practicing Falun Gong upon learning the truth and mighty power of Dafa.

Introduction to Falun Dafa

Falun Dafa, also known as Falun Gong, is a practice for benefiting physical health and elevating the mind. Introduced by Mr. Li Hongzhi in China, the practice consists of five gentle exercises including meditation, and diligent effort on the part of practitioners to follow the universal principles of Truthfulness-Compassion-Forbearance in daily life. Falun Gong is not only beneficial to one's own health and well-being, it also benefits others. Although the practice originated in China, today it is practiced throughout the world by people of all races and walks of life. In the face of the most brutal and vicious persecution perpetrated on them by the Chinese Communist Party, Falun Gong practitioners have found the spiritual strength to resist peacefully and tirelessly by upholding the principles of Truthfulness-Compassion-Forbearance.

The National Track and Field Tournament in Taipei, Taiwan, Invites Falun Gong Group to Give Performance

(Clearwisdom.net) More than 2,000 Falun Gong practitioners participated in a performance at the Taipei City Stadium on the evening of October 29, 2006, for a commemorative sports meet celebrating the stadium's 50-year history and the National Autumn Track and Field Open Tournament.

Grand Falun Gong exercise demonstration

Taipei City Stadium will soon conclude its 50th successful year after the tournament, and will be dismantled and reconstructed. The director of the Track and Field Association, the sponsor of the tournament, Mr. Rao, learned the facts about Falun Gong and found that Falun Gong is not as what the Chinese Communist Party's (CCP) negative propaganda describes. He said that Falun Gong is a righteous practice and that in today's modern society, such a good exercise as Falun Gong should be spread more widely. Therefore, he invited Falun Gong practitioners to participate in this historic event, so that the public would gain a better understanding of Falun Dafa.

Many athletes stopped in front of the display boards set up outside of the stadium that exposed the CCP's harvesting and selling organs from living Falun Gong practitioners for profit. They said that they never knew that there were such things happening in China, and that the CCP is so brutal and ruthless.

During and after the tournament, the Falun Gong practitioners were pleased to see that many people were happy to receive informational materials and had the opportunity to learn about such a wonderful practice.

Mr. Tian Genghai's Life in Danger in Panjin Prison, Liaoning Province

(Clearwisdom.net) Falun Dafa practitioner Mr. Tian Genghai from Dalian City, Liaoning Province, is now detained in the Sixth Section, First Ward, of Panjin City Prison in Liaoning Province. He refuses to participate in forced labor or to attend brainwashing sessions. He has been continually clarifying the truth about the persecution against Falun Gong and stops guards from beating practitioners.

Mr. Tian was tortured from 7:00 p.m., on August 18, 2006, to noon on August 21, 2006, by Section Head Zhang Guilin and Office Head Wu Fenggang. They shocked him with electric batons, slapped his face, and made him sit on the "Tiger Bench." Mr. Tian was on a hunger strike for 60 days. He is being force-fed, and his life is in danger. Guards transferred him to the Fifth Ward (for patients). Doctor Gao in the Fifth Ward said they could not guarantee Mr. Tian Genghai's life.

Falun Gong Receives Warm Welcome at Granny Smith Festival

(Clearwisdom.net) On October 21, 2006, the annual Granny Smith Festival took place in Eastwood, Australia. It was beautiful Saturday and about 70,000 people attended the festival.

The debut of Falun Gong's Divine Land Marching Band was a wonderful surprise for the attendees. After the parade ended, a local city council member and a radio show host told practitioners that the Falun Gong procession was magnificent and that the new Divine Land Marching Band was very good.
